

GLOVES 6DAYS
0026747

0026747.245

FEATURES

Special edition off-road gloves dedicated to the FIM International Six Days of Enduro (6DAYS®), the premier international event for all off-road endurance enthusiasts and riders. Acerbis has its roots in Enduro and is the Main Partner of the FIM International Six Days of Enduro (6DAYS®). To celebrate the return of 6DAYS® to its city of origin, Bergamo, Acerbis has developed the official race clothing kit, consisting of a jersey, pants, and gloves.

Technicality, comfort, resistance, and sensitivity: these are the four keywords that represent the new 6DAYS® glove designed for the most demanding riders. The extremely elastic back guarantees great mobility, while the palm, made with a single Nanofront panel and reinforcement panels, promises maximum protection in the event of a slip. Finally, the absence of seams on the fingers makes them extremely comfortable.

- The 6DAYS® glove is part of the Official Race Wear of the 6DAYS® FIM Enduro of Nations.
- Back: elasticized fabric.
 - Palm: single Nanofront panel, external Nanofront reinforcement, 3mm padding, and internal reinforcement, resistant to tearing and abrasion.
 - Extremely pre-curved and comfortable glove with no seams on the fingertips.
 - Adjustable wrist.
 - Touchscreen glove

FEATURES

The X-FLEX 2.0 glove is the result of combining strength, sensitivity, lightness and ventilation. Thanks to the use of Nanofront TM, the world's finest and strongest yarn, (700 um micron cross-section), it makes the glove extremely lightweight and allows for sensational grip feel. Using a stretch dobby polyester fabric makes the glove highly resistant to abrasion. Small mesh inserts between the fingers and laser holes make the glove extremely ventilated and comfortable. Attention to detail is also highlighted by the custom soft neoprene and Velcro closure, the presence of gel on thumb and soft rubber inserts on back.

Palm made of a single seamless Nanofront panel, with ventilation holes and silicone details
Back in highly abrasion-resistant dobby polyester
Mesh inserts between the fingers
Neoprene closure with strap and velcro
Customization in soft rubber on the back and silicone on the palm part
Highly durable dobby polyester fabric
Nanofront TM
Breathable mesh inserts
